

Line Mountain Archery Boosters

Tuesday, April 12, 2016

Meeting Minutes

Present: Wendy Bartholomew, Carla Boyer, Coach Buriak and Susan Rothermel

The first organizational meeting of the Line Mountain Archery Boosters was called to order at 6:30 P.M. Those present included: Wendy Bartholomew, Coach Buriak, Carla Boyer and Susan Rothermel.

An organizational meeting was held to discuss the formation of the Line Mountain Archery Boosters. Susan Rothermel did some preliminary research and shared the steps that must be taken to form a booster organization as stated in Line Mtn. School District Policy #915. The group discussed the need to get by-laws in place. Susan Rothermel presented a draft of by-laws she created using by-laws from the former Dalmatia PTO and the Line Mtn. Band Boosters. Those present went over the by-laws and suggested some changes, which Susan will make. The revised by-laws will be available for review at the next meeting.

Once we have by-laws and vote to adopt them, we need to get officers in place. We will need to have a President, Vice-President/Secretary and Treasurer. After all this is in place, a copy of the by-laws and the list of officer's will go to the school board for approval. After we receive board approval and are recognized as a group, the officers will be able to apply for an EIN number and open a bank account.

Coach Buriak informed the group that the archery program was approved as a club. Since it is a club we discussed the possibility of charging a fee for participation to help get some funds established. We discussed the pros and cons of this. Other local schools do charge a fee to each student participating. The typical archery season will run from November to March. The state competition in March is normally the end of the season. Coach Buriak told us that he has several local business owners interested in making a cash donation to the club, so it is important for us to get a booster club going, so we have somewhere to deposit those funds. Coach Buriak would like to host a 3-D tournament at our school in November or December of 2016. We would be the first school in the area to host a 3-D tournament. The money being donated by businesses would be used to purchase the 3-D targets. Next fall, Line Mtn. will have a high school team coached by Michael Buriak and a middle school team (7th & 8th grade) coached by Jason Weller. We would like to have one booster club for all parents with archers in grades 7 – 12.

Susan plans to contact Coach Weller to see if she can get a list of potential 7th & 8th grade students interested in archery for the fall. Perhaps some of those parents would be interested in serving as officers.

Meetings will be held monthly on the third Tuesday of each month at 6:30P.M. in the high school library. The next meeting will be held Tuesday, May 17, 2016. Susan will contact Keith Harro to get the meeting publicized on the school web page.

The meeting was adjourned at 8:00 P.M., since there was no further business.

Respectfully submitted,

Susan R. Rothermel
