The Board requires that each classified employee engaged in the performance of the grant be given a copy of the statement and notification to the employee that, as a condition of employment under the grant, the employee will abide by the terms of the statement and notify the district of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.

The grantor of such funds shall be notified within ten (10) days after receiving notice from an employee or otherwise receiving actual notice of such conviction.

The district shall be responsible for taking action within thirty (30) days of receiving notice, with respect to any convicted classified employee.

The district shall require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement or other appropriate agency, except where S.C. 527 provides otherwise.

In establishing a drug-free awareness program, the Superintendent shall inform classified employees about:

- the dangers of drug abuse in the workplace;
- the district's policy of maintaining a drug-free workplace;

- the availability of drug counseling, drug rehabilitation, and employee assistance programs available; and
- the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

The district shall make a good faith effort to continue to maintain a drug-free workplace through the implementation of this policy.
