PLEASE READ!

Dear Parent/Guardian,

All student athletes and parents are required to complete and return the following RELEASE form prior to participating in athletics within the Line Mountain Area School District. This form helps to ensure that we are in compliance with the Health Insurance Portability and Accountability Act (HIPAA). The HIPAA law was put in place to ensure confidentiality of individuals requiring medical care. By federal law, Certified Athletic Trainers must have a signed authorization form permitting us to disclose protected health information about the student-athlete to the coaching staff. This would include the injury specifics, severity of the injury, and the athlete's return-to-play status. In order for your son/daughter to participate in athletics, a copy of this form will need to be on file with the school's Athletic Trainer. This form will only need to be completed one time per year, prior to the start of the sport season. Please be sure to fill in the highlighted areas including Patient Name, Patient/Athlete Signature, Parent/Guardian Signature, and dates. This form should be turned in to the head coach of your son/daughter's sport.

Also, it is important to make sure that all forms for athletic participation are completed in full (with pen) and are easy to read. Please be sure to note that PIAA rules require every athlete to turn in a completed physical to the coaching staff prior to the first practice and that the official PIAA 6-page form is the only physical that can be accepted. This form can be found on the athletics page of the school website or at www.piaa.org by clicking on resources, then forms, and select PIAA CIPPE form section(s) 1-9.
