

ANNUAL NOTICES

Line Mountain School District

July 1, 2023

Notification of Rights under FERPA

The Family Education Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. They are:

1. The Right to inspect and review the student’s education records within 30 days of the day the Line Mountain School District receives a request for access. Parents or eligible student should submit to the school principal or director of special education a written request that identifies the record(s) they wish to inspect. The school principal or special education director will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible student may ask the Line Mountain School District to amend a record that they believe is inaccurate or misleading. They should make a written request to the school principal or special education director, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the Line Mountain School District decides not to amend the record as requested by the parent or eligible student, the Line Mountain School District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when the Line Mountain School District is notified of the request for a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate education interest. A school official is a person employed by the Line Mountain School District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the Line Mountain School District has contracted to perform a special task (such as attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest in the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school system to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, US Department of Education, 400 Maryland Avenue, SW Washington, DC 20202-46054.

Programs for Eligible or Protected Handicapped Students

Photographs/ Video of School Pupils

On occasion, the Line Mountain School District will photograph or videotape students for use in district publications, including the district website. In addition, newspapers and television stations may photograph or videotape students. Parents who do not want photographic or video images of their child to appear should send a letter to the building level principal.

Integrated Pest Management

The Line Mountain School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents, and weeds. Parents or guardians of students enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you must be placed on the school's notification registry. If you would like to be placed on this registry, notify the district in writing. Please include your email address if you would like to be notified electronically.

Programs

(Continued from previous page)

in need of early intervention or screening, evaluation processes designed to access the needs of your child and his/her eligibility are available to you at no cost, upon written request. You may request screening and evaluation at any time, whether or not your child is enrolled in the district's public school program. Requests for evaluation and screening are to be made in writing to Mrs. Amy Dunn, or any building principal.

In compliance with state and federal law the Line Mountain School District will provide to all protected handicapped student, without discrimination or cost to the student or family, those related aids, services, or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities. In order to qualify as a protected handicapped student, the child must be school age with a physical or mental disability, which substantially limits or prohibits participation in or access to any aspects of the school program. These services and protections for "protected handicapped students" are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs.

For additional information on the rights of parents and children, provision of services, evaluation, and screening (including purpose, time, and location), and rights to due-process procedures, you may contact in writing Mrs. Amy Dunn or any building principal.

Confidentiality: All information gathered about your child is subject to the confidentiality provisions contained in federal and state law. The district has policies and procedures in effect governing the collection, maintenance, distribution, and disclosure to third parties of this information. For information about these policies and procedures, as well as rights of confidentiality and access to education records, you may contact in writing Mrs. Amy Dunn or any building principal.

Student's Right Pertaining to Animal Dissection

Former Governor Casey signed into law Act 1992-99, an act amending the Public School Code of 1949. Section 15-1523, Tittle 24, PA Consolidated Statutes, entitled, 'Pupils' Right of Refusal; Animal Dissection', gives all students in public or non-public schools, from kindergarten through grade 12, the right to 'refuse to dissect, vivisect, incubate, capture, or otherwise harm or destroy animals or any parts thereof as part of their course or instruction'. Should any parent and child elect not to dissect, vivisect, incubate, or participate in other activities harmful to animals, a letter should be send to the teacher with a copy to the building principal, requesting an alternative educational project. The letter should be sent prior to the actual lesson so that arrangements can be made for alternate placement of the child on that day.

Homeless Students

Line Mountain School District recognizes its obligation to ensure that homeless students have access to the same educational programs and services provided to other district students. The district shall make reasonable efforts to identify homeless children within the district, encourage their enrollment, and eliminate existing barriers to their attendance and education, in compliance with federal and state law and regulations. If you, or anyone you know is homeless, please contact the Districts homeless coordinator, Mr. Brad Shrum, at 570-758-2640, ext. 6022.

Non-Discrimination/Non-Retaliation Notice

Title IX-Title VI—Section 504

The Line Mountain School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following persons have been designated to handle inquiries regarding the non-discrimination policies.

- Mr. David M. Campbell, Superintendent, 185 Line Mountain, Road, Herndon, PA 17830, 570-758-2640

- For further information on notice of non-discrimination, visit <http://whcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm> (<http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm>) for the address and phone number of the office that serves your area, or call 1-800-421-3481.

Gifted Services

In compliance with state law, the Line Mountain School District, provides services designed to meet the unique needs of gifted students. The Line Mountain School District identifies "gifted" students on a case-by-case basis based on state law and district policy. Under Pennsylvania regulations the term mentally gifted is defined as "including a person who has an IQ of 130 or higher and when multiple criteria indicate gifted ability." A person with an IQ lower than 130 may be gifted when other educational criteria in the child's profile strongly indicates gifted ability.

Military Recruitment in Secondary Schools

The No Child Left Behind Act of 2001, the National Defense Authorization Act for Fiscal Year 2002, and Pennsylvania Act 10 collectively require superintendents to provide military recruiters the same access to secondary school students as they provide to postsecondary institutions or to prospective employers.

Superintendents are required to provide names, addresses, and telephone listings of junior and senior year students to military recruiters, when requested, unless a parent has "opted out" of providing such information.

Parents who want to "opt out" of providing their child's information to military recruiters should send a letter to the Superintendent.

Annual State Compliance Announcements

No Child Left Behind Act of 2001 requires a number of parental notifications

(Note: Every Student Succeeds Act (ESSA) was approved 12/10/15. PDE is currently working on guidelines to school districts for implementation.) They include the following:

- Parents shall have the right to inspect all instructional materials, including teachers' manuals, audiovisuals, and other supplementary instructional materials used in the instructional program in accordance with School Board Policy. Instructional materials do not include tests or academic assessments. Such requests shall be in writing and submitted to the building principal.
- Parents have the right to inspect, upon request, a survey created by a third party prior to administration or distribution to a student. Such a request shall be in writing and submitted to the building principal.
- Parents have the right to inspect materials and opt out their child from participating in any activity that results in the collection, disclosure, or use of personal information for purposes of marketing or selling that information. This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for or to students.
- The school district shall provide a program for each student whose dominant language is not ENGLISH for the purpose of facilitating the student's achievement of English proficiency and the academic standards. Parents who believe their child qualifies for this program should contact the building principal.
- The school district shall provide a program to address the needs and provide appropriate services to migrant student attending the district's schools. Parents who believe their child qualifies for this program should contact the building principal.
- The school district shall provide a program to address the needs and provide appropriate services to homeless students attending the district's schools. Parents who believe their child qualifies for this program should contact the building principal.
- The school district provides health examinations and screenings as defined in School Board Policy #209. This policy states, "Parents/guardians of students who are to receive physical and dental examinations or screenings shall be notified. The notice shall include the date and location of the examination or screening and notice that the parent/guardian may attend or may have the examination or screening conducted privately at the parents'/guardians' expense." Each student shall receive a comprehensive health examination upon original entry, in sixth grade, and in eleventh grade, conducted by the school physician. A private health and/or dental examination conducted at the parents'/guardians' expense will be accepted in lieu of the school examination. In addition, each student shall receive vision tests, hearing tests, height and weight measurements, tuberculosis tests, and other tests deemed advisable at intervals established by the district. Students may be exempted from such examinations or screenings if they conflict with the parents' religious beliefs.
- The School Board permits the disclosure of required student information about secondary students to representatives of postsecondary institutions and to representatives of the armed forces of the United States. The disclosed information to recruiters routinely includes names, addresses, and telephone numbers. Parents have the right to request that information not be disclosed without prior written consent. Parents who desire to request that the district withhold this information should notify the building principal in writing.
- Parents of Title I students shall receive, upon request, information regarding the qualifications and academic degrees instruction/instructional support to their child. Parents desiring this information should contact the building principal in writing.

Notification of Rights under the Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED) -
 1. Political affiliations or beliefs of the student or student’s parent;
 2. Mental or psychological problems of the student or student’s family;
 3. Sex behavior or attitudes;
 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
 5. Critical appraisals of others with whom respondents have close family relationships;
 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
 7. Religious practices, affiliations, or beliefs of the student or parents; or
 8. Income, other than as required by law to determine program eligibility.
- Receive notice and an opportunity to opt a student out of -
 1. Any other protected information survey, regardless of funding;
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State Law, and
 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute this information to others.
- Inspect, upon request and before administration or use -
 1. Protected information surveys of students;
 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
 3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State Law.

Line Mountain does not participate in any surveys or collect information affected by this amendment.

Parents who believe their rights have been violated may file a complaint with Family Policy Compliance Office, US Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920.

If you believe your school age child may qualify for gifted education services, you may contact the district at any time to request a determination of eligibility. The guidance counselors in each building will discuss the evaluation process and answer any specific questions you may have. Parents may contact Mrs. Amy Dunn, Special Education Director, at (570) 758-2640.

Please note that entitlement to gifted services includes only those rights provided for by Pennsylvania law.
