

# Camp Koala Virtual Camp 2021

## *Story Time with Karson*

**Tuesdays, 5-5:45pm**

**February 9, 16, 23 and March 2**

Due to Covid-19, our in-person activities have been moved online, in order to keep all of our campers and volunteers safe. This virtual, ZOOM camp, will be offered to all grieving kids ages 6-12, at no cost. Registration is required and a link with login info will be sent to each camper.

This online story time will feature a variety of kids books geared toward the grieving child. Participants will have the opportunity for a short discussion after each reading, and can choose to participate or simply relax and enjoy hearing the story. This laid back group will have a relaxed atmosphere, and is perfect for the newly bereaved child who may just want to simply listen and learn, your participation level is up to you!

**Leader: Karson Keisinger, MLIS, MA, Public Librarian and long-time Camp Koala Big Buddy**
